REPORT ON MEETING WITH VIRTUAL UNIVERSITY DELEGATION

A delegation of Virtual University lead by Mr. Muhammad Rizwan Saleem Sandhu, Head of Management Sciences Department in VU visited Surgical Association on October 05, 2016.

They were warmly welcomed by Chairman SIMAP Mr. Jehangeer Babar Bajwa along with Executive Committee members.

Meeting started with the recitation of Holy Quran by Mr. Tahir Ashfaq.

Mr. Muhammad Saleem Sandhu, HOD of Management Sciences in VU thanked Chairman SIMAP for warm welcome. He informed members about his research on surgical industry.

He said that today's meeting is to discuss about branding in surgical sector. He added that he wanted to know views of SIMAP members why this industry is lacking in branding.

Chairman SIMAP Mr. Jehangeer Babar Bajwa responded with details. He said that our industry is a cottage, labor intensive and export oriented which is cluster of SME's while major portion is of small entrepreneurs.

He said that it is difficult for a cottage industry to develop a brand due to lack of financial resources and awareness.

He added that branding also need a good marketing team and channels which our industry can't afford where as there is no support from government.

He informed delegates that SIMAP continuously published awareness about branding in its monthly bulletin but there was no response from industry.

All members also described their views and experience about branding.

Mr. Muhammad Saleem Sandhu, HOD of Management Sciences informed house about facilities available with Virtual University and said that VU can help SIMAP members to address different technical issues.

Chairman SIMAP Mr. Jehangeer Babar Bajwa showed keen interest in VU facilities and proposed that VU should develop documentary for SIMAP.

Leader of delegation Mr. Muhammad Saleem Sandhu gave his consent to develop proposed documentary which was highly appreciated by Chairman SIMAP.

Chairman SIMAP also accepted proposal of Mr. Muhammad Saleem Sandhu to organize different awareness seminars/workshops including brand development.

It was mutually agreed and decided that MOU will be signed between SIMAP and VU to stream line the program.

Meeting ended with vote of thanks to chair.
